DETAILED ACTION

In response to Amendment filed November 8, 2004

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Claims 1 - 5 are allowable over the Prior Art of Record because it fails to teach or suggest a method for the directional attachment of a scale element of a position measuring system to an installation face of a first body, the method comprising the step of aligning a scale element on an installation face of a first body parallel to a measuring direction via an adjustment device provided on a second body, which has a scanning head provided thereon and wherein said second body, said scanning head and said adjusting device are movable in said measuring direction in relation to the first body in combination with the remaining limitations of the claims.
 - b. Claims 6 - 15 are allowable over the Prior Art of Record because it fails to teach or suggest a device for the directional attachment of a scale element of a position measuring system to an installation face of a first body comprising an adjustment device which is provided on a second body that comprises a scanning head, which wherein said
